511/CC – MAINTENANCE OF COMMUNITY CENTRE GARDENS

Members considered the gardening contract for the maintenance of the Community Centre gardens which is due to expire on the 31st March 2022. Members agreed the renewal should be for a three-year period and that the existing contractor should be requested to provide a quotation for this period in addition to placing an invitation to tender on the Parish website and noticeboards.

A query was raised on the height of the hedge surrounding the gardens and it was suggested that the height of the hedge should be reduced, at agreed positions, to discourage people congregating unseen in the gardens. Following a discussion Members agreed that Cllr. Meredith would request the grass cutting/gang mowing contractor for a quote to reduce the height of the hedge at agreed positions.

Members also requested the specification for gardening services to be amended to read – Quarterly - ‘cutting back of bushes in gardens on both sides of railings (to ensure not overhanging footpaths) to a height as directed’

A query was also raised if the number of hours in the specification (230 hours) is sufficient to maintain the gardens per annum and Members requested that an enquiry is made with the current contractor.
